

Topic: Logging into Panopto Recorder or Server

Log into the Panopto Recorder

1. Open the Panopto Recorder from your desktop or list of programs.
2. Server Address: Should display the following by default -- coursecast.mnstate.edu
3. Username: Enter **mnstate.edu** followed by **your StarID** (e.g., ab1234cd).
4. Password: Enter **your StarID password**.

The screenshot shows the Panopto login interface. At the top, the word "PANOPTO" is displayed in large, bold, black letters, with a green globe icon containing a play button symbol in the center of the "O". Below the logo, there are three input fields: "Server Address:" with the text "coursecast.mnstate.edu", "Username:" with the text "mnstate.edu\ab1234cd", and "Password:" with a series of black dots. Below the password field, there is a checkbox labeled "Remember Me" which is checked, and the text "(required for offline recording)" to its right. At the bottom left, the text "Login not verified." is displayed. At the bottom right, there is a "Log In" button.
