

Topic: Read&Write Gold - Take Home Installation for Windows

Complete the following steps to install the Take Home version of Read&Write Gold onto your Windows PC. Use this version only for computers that are **not owned** by MSUM.

1. Open the **Internet Explorer** web browser.

Important: **Do not** use Mozilla Firefox for the following steps.

2. Click the following link: [Read&Write Gold – Take Home Version download page](https://my.mnstate.edu/IT/Download/ReadWriteGold) (https://my.mnstate.edu/IT/Download/ReadWriteGold)
3. Enter your StarID and password when prompted.

The screenshot shows a login page for Minnesota State University Moorhead. At the top left is the MSUM logo and name. At the top right is the text 'Information Technology'. Below this is a red horizontal bar. The main content area is titled 'Login with StarID credentials' and contains two input fields: 'StarID:' and 'Password:'. Below the fields is a 'Login' button. At the bottom of the form area is a link that says 'Forgot User name or Password?'.

4. Click [**Login**].

The Read&Write Gold – Take Home Version page displays.

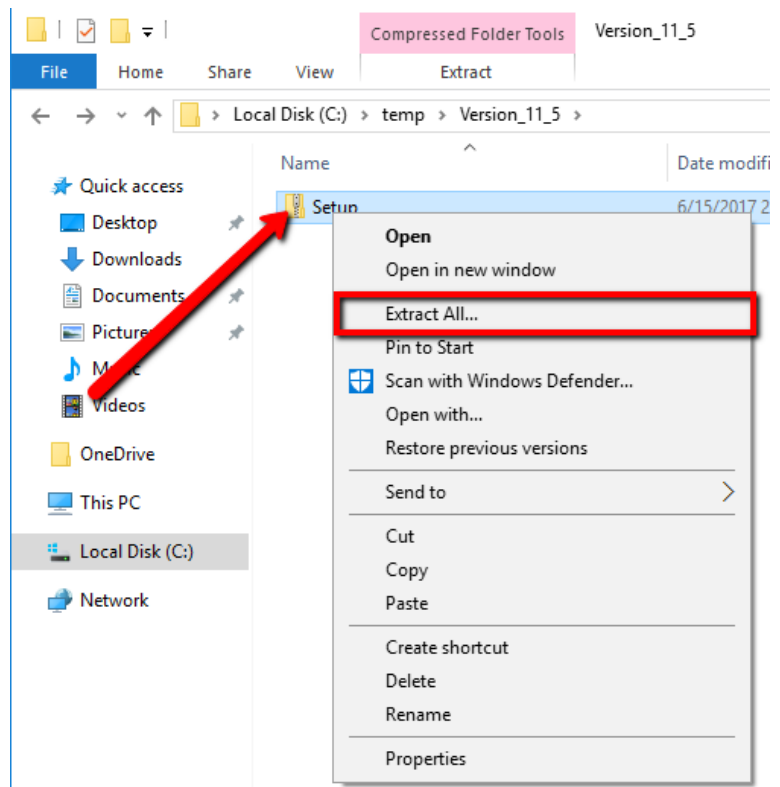

- To install Read&Write Gold for Windows click the **[Click here]** download link below Windows version logo.

- At the bottom of the browser window click **[Save]**.

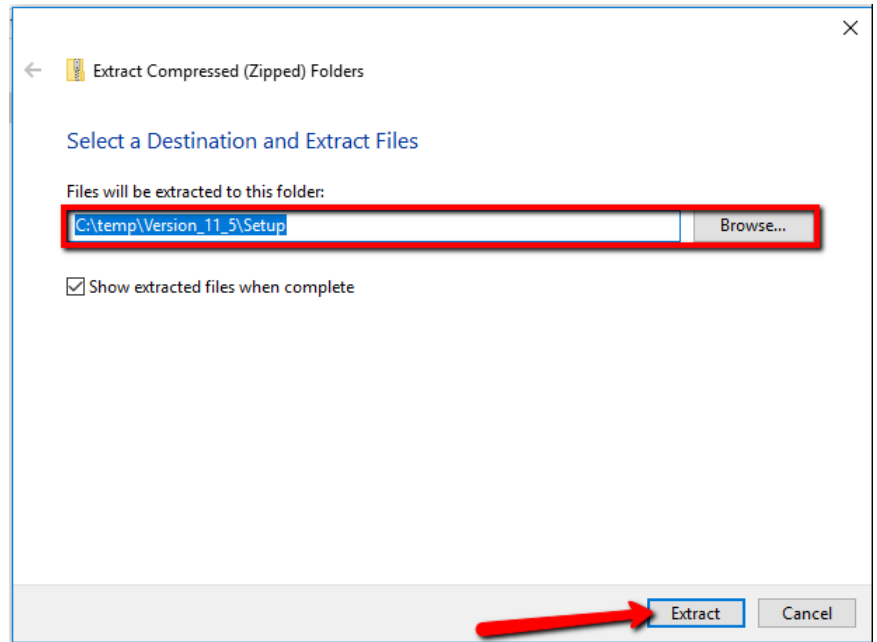

- Navigate to the folder you saved Setup.zip file to. Right-Click **Setup.zip** > Click **Extract All...**

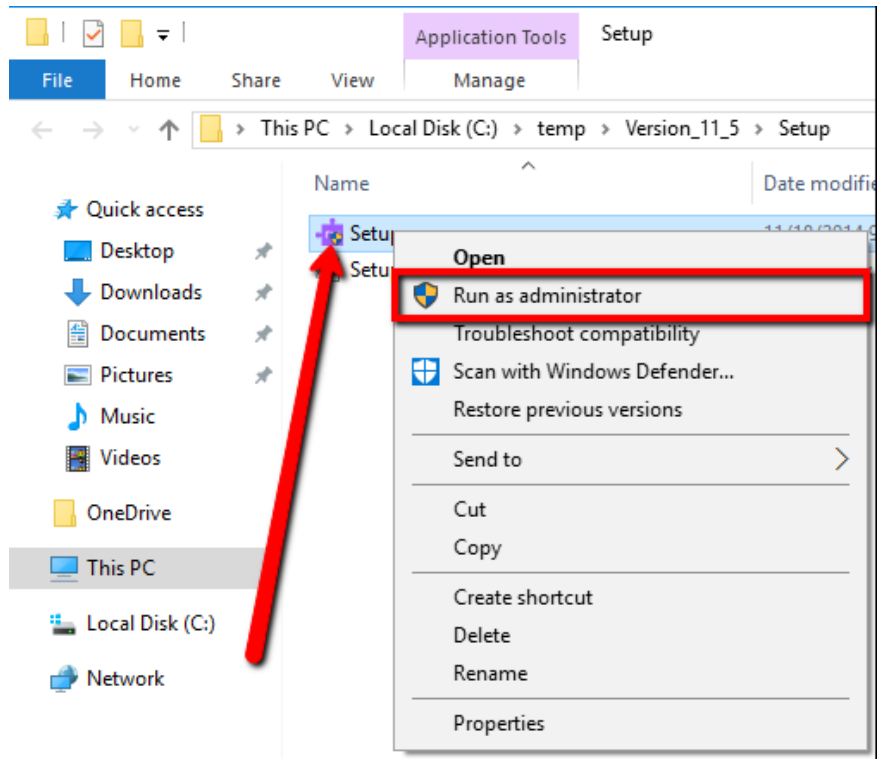

the

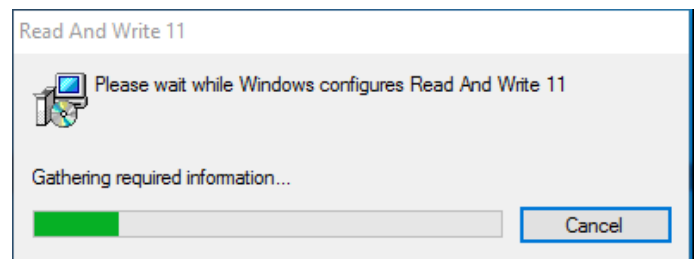

8. You can choose a different location to extract the files to by clicking **Browse...** or accept the default location. Click **Extract**

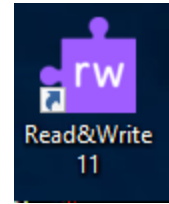

9. In the location where files were extracted, Right-Click on **Setup.exe** and click **Run as administrator**.

10. Setup will download any missing pre-requisites and begin the installation.

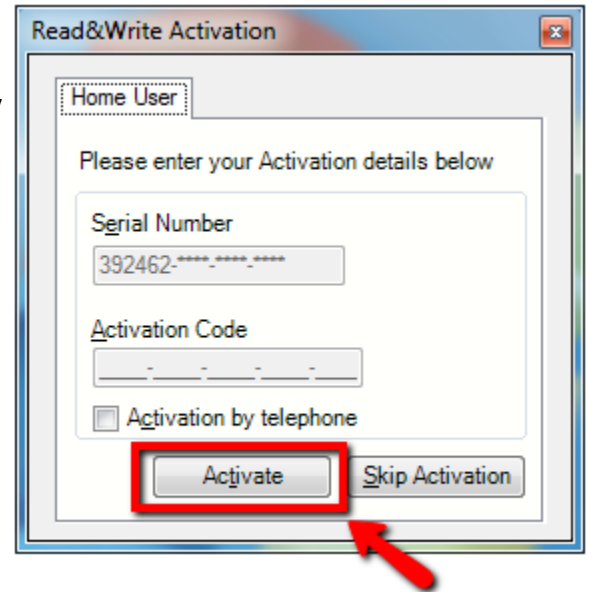

11. Once the install is finished, Double-click on the **Read&Write 11 shortcut** to launch the application.

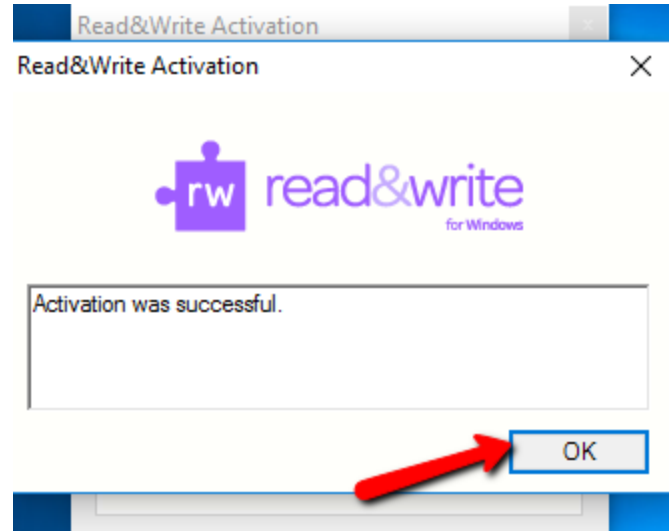

12. The Read&Write activation window will open. Click **[Activate]**.

Note: You do not need to enter an activation code. Simply click the [Activate] button.

13. On the Activation confirmation window, click **[OK]**

14. The Read&Write 11 Gold task bar appears at the top of your window.

15. Go to the [Read&Write Gold web site](http://www.mnstate.edu/instructional-technology/read-write/) for instructions on how to use the application.
