Hazing Policy

Hazing is prohibited by MnSCU Board of Trustee’s policy and MSUM Student Conduct Code.

**Hazing is defined as:** “Hazing” means an act which endangers the mental or physical health of safety or a person, subjects a person to public humiliation or ridicule, or which destroys or removes public or private property for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a student group, organization, or athletic team.

MSUM will investigate all allegations of hazing. The Student Conduct Code also states that the University shall initiate conduct proceedings for off-campus incidents when hazing is involved.

If you or your student organization has questions or concerns about hazing, contact the Assistant Director of Leadership and Organizations at 218-477-2120. You can also consult the MSUM Student Handbook or the Director of Student Conduct and Resolution for more information.
