**MSUM Strategic Anchors**

We will achieve our purpose by anchoring our work with three key strategies. While we may prioritize these strategic anchors differently at different times, the anchors themselves will remain constant for the foreseeable future. These are the strategies that will enable us to achieve our purpose of transforming the world by transforming lives:

Enrich the community through academic, athletic, arts, service, and leadership opportunities.
Preamble:

Members of the University community are expected to be familiar with the rules and procedures contained within this handbook. This publication provides general guidance and direction and is not intended to cover every conceivable situation. The information about University policies outlines the rights, responsibilities, and privileges enjoyed by the students, faculty, and staff that make up the University community. The purpose of MSUM’s policies is to promote and maintain the University learning environment, inform University members of their responsibilities, and aid in preventing violations of the rights of individuals.

Specific questions relating to policies and procedures and interpretations of specific sections within the Handbook should be directed to the University Office of Student Conduct and Resolution at (218) 477-2174 or the Vice President for Student Affairs at (218) 477-2171.

Because policies are subject to change, revisions that occur will be updated on the MSUM webpage and will have priority over the contents of the printed edition.

Student Rights & Responsibilities

1. Freedom to Learn.
   In addition to the basic constitutional rights enjoyed by all citizens, students in colleges and universities have specific rights related to academic freedom and their status as students. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends on appropriate opportunities and conditions “in all learning environments”, on the campus, and in the larger community. Students are expected to exercise their freedom with responsibility.

2. Freedom of Expression.
   Individual students and student organizations shall be free to examine and to discuss all questions of interest to them and to express opinions publicly and privately. They shall be free to support causes by orderly means that do not substantially disrupt the regular and essential operation of the institution. Students shall be free to take reasoned exception to the information or views offered in any course of study and to reserve judgement about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.

   Students shall be free to organize and join organizations to promote their common and lawful interests, subject to college and university policies, procedures or regulations. Registration or recognition may be withheld or withdrawn from organizations that violate college and university policies, procedures or regulations.

4. Student-Sponsored Forums.
   Students shall have the right to assemble, to select speakers, and to discuss issues of their choice. The college or university shall establish reasonable time, place and manner restrictions to assure that the assembly does not substantially disrupt the work of the institution or does not interfere with the opportunity of other students to obtain an education or otherwise infringe upon the rights of others. Such regulations shall not be used as a means of censorship. The president or designee may prohibit any forum when there is a likelihood of harm to individuals or damage to property if the event is held. Prior to any such prohibition, the president shall make his or her best effort to consult with the student association.

5. Student Publications.
   Student-funded publications shall be free of censorship and advance approval of copy, and their editors and managers shall be free to develop their own editorial and news coverage policies. Editors and managers of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. The student fee allocation process shall not be used as a means of editorial control of student-funded publications. All student publications shall explicitly state on the editorial page that the opinions there expressed are not necessarily those of the college, university, system, or student body.
The policies, procedures and regulations of the college or university regarding student expectations, rights, and responsibilities must be readily accessible to students.

7. Catalog and Course Information.
To the extent possible, students shall be provided relevant and accurate information regarding courses prior to enrollment. Catalog course descriptions and website postings must be accurate and based on information existing at the time of publications. To the extent possible, class schedules must list the names of faculty teaching the courses.

8. Student Academic Standing Information.
Students shall have access to accurate information for establishing and maintaining acceptable academic standing, information which will enable students to determine their individual academic standing, and information regarding graduation requirements.

Student academic performance must be evaluated solely on the basis of academic standards, including any requirements that are noted in the catalog, course syllabus, student handbook, or on the college or university website. Students must have protection against prejudiced or capricious evaluation and not be evaluated on the basis of opinions or conduct in matters unrelated to academic standards. Students must have the right to review their corrected examinations or other required assignments used by the faculty in evaluating the student’s academic performance.

Term papers, essays, projects, works of art, and similar property including property in which the student has intellectual property rights pursuant to Board Policy 3.26 shall be returned to a student upon request, within a reasonable timeframe, when no longer needed for evaluation purposes, unless the student grants written permission for them to be retained.

11. Student Review and Consultation.
Students must have the right to appropriate levels of participation in college and university decision-making pursuant to Board Policy 2.3 and System Procedure 2.3.1 Student Involvement in Decision-Making.

FERPA (FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT) NOTICE

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

Students should submit to the Registrar, Dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; representatives of the Minnesota State Colleges and Universities (“MnSCU”), including the Board of Trustees, Chancellor, Chancellor’s...
staff; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the Official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student is enrolled, or seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by Minnesota State University Moorhead to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

**EQUAL OPPORTUNITY AND NONDISCRIMINATION POLICY**

Minnesota State University Moorhead is a University within the Minnesota State System. As such, the university adheres to the Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education. For a copy of the policy and related 1B.1.1 Report/Complaint of Discrimination/Harassment Investigation Resolution procedure, please visit the MSUM policies page: www.mnstate.edu/policies or the Minnesota State policies page: www.minnstate.edu/board/policy.

**Part 1. Policy Statement**

**Subpart A. Equal opportunity for students and employees.** Minnesota State Colleges and Universities has an enduring commitment to enhancing Minnesota’s quality of life by developing and fostering understanding and appreciation of a free and diverse society and providing equal opportunity for all its students and employees. To help effectuate these goals, Minnesota State Colleges and Universities is committed to a policy of equal opportunity and nondiscrimination in employment and education.

**Subpart B. Nondiscrimination.** No person shall be discriminated against in the terms and conditions of employment, personnel practices, or access to and participation in, programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. In addition, discrimination in employment based on familial status or membership or activity in a local commission as defined by law is prohibited.

Harassment on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, gender expression, or familial status is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with persons having business at, or visiting the educational or working environment.

This policy is directed at verbal or physical conduct that constitutes discrimination/harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, Minnesota State Colleges and Universities will give due consideration to an individual’s constitutionally protected right to free speech and academic freedom. However, discrimination and harassment are not within the protections of academic freedom or free speech. The system office, colleges, and universities shall maintain and encourage full freedom, within the law, of expression, inquiry, teaching and research. Academic freedom comes with a responsibility that all members of our education community benefit from it without intimidation, exploitation or coercion.

This policy shall apply to all individuals affiliated with Minnesota State Colleges and Universities, including but not limited to, its students, employees, applicants, volunteers, agents, and Board of Trustees, and is intended to protect the rights and privacy of both the complainant and Page 2 Policy 1B.1 respondent and other involved individuals, as well as to prevent retaliation or reprisal. Individuals who violate this policy shall be subject to disciplinary or other corrective action.
This policy supersedes all existing system, college, and university equal opportunity and nondiscrimination policies.

**Part 2. Definitions.**

**Subpart A. Consensual Relationship.** Consensual relationship means a sexual or romantic relationship between two persons who voluntarily enter into such a relationship. Employees who are members of the same household should also refer to Board Policy 4.10, Nepotism.

**Subpart B. Discrimination.** Discrimination means conduct that is directed at an individual because of his or her protected class and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individual’s employment or education.

**Subpart C. Discriminatory harassment.** Discriminatory harassment means verbal or physical conduct that is directed at an individual because of his or her protected class, and that is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile work or educational environment.

As required by law, Minnesota State Colleges and Universities further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or education, evaluation of a student’s academic performance, or term or condition of participation in student activities or in other events or activities sanctioned by the college or university; or

2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions or other decisions about participation in student activities or other events or activities sanctioned by the college or university; or

3. Such conduct has the purpose or effect of threatening an individual’s employment; interfering with an individual’s work or academic performance; or creating an intimidating, hostile, or offensive work or educational environment.

**Subpart D. Employee.** Employee means any individual employed by Minnesota State Colleges and Universities, including all faculty, staff, administrators, teaching assistants, graduate assistants, residence directors and student employees.

**Subpart E. Protected Class.** For purposes of this policy:

1. Protected class includes race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. In addition, familial status and membership or activity in a local human rights commission are protected classes in employment.

2. This policy prohibits use of protected class status as a factor in decisions affecting education Page 3 Policy 1B.1 and employment where prohibited by federal or state law.

**Subpart F. Retaliation.** Retaliation includes, but is not limited to, intentionally engaging in any form of intimidation, reprisal or harassment against an individual because he or she:

a) made a complaint under this policy;

b) assisted or participated in any manner in an investigation, or process under this policy, regardless of whether a claim of discrimination or harassment is substantiated;

c) associated with a person or group of persons who are disabled or are of a different race, color, creed, religion, sexual orientation, gender identity, gender expression, or national origin; or

d) Made a complaint or assisted or participated in any manner in an investigation or process with the Equal Employment Opportunity Commission, the U.S. Department of Education Office for Civil Rights, the Minnesota Department of Human Rights or other enforcement agencies, under any federal or stated nondiscrimination law, including the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; the Minnesota Human Rights Act, Minn. Stat. Ch. 363A, and their amendments.

Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

**Subpart G. Sexual harassment and violence as sexual abuse.** Under certain circumstances, sexual harassment or violence may constitute sexual abuse according to Minnesota law. In such situations, the system office and colleges and universities shall comply with the reporting requirements in Minnesota Statutes Section 626.556 (reporting of maltreatment of minors) and Minnesota Statutes Section 626.557 (Vulnerable Adult Protection Act). Nothing in this policy will prohibit any college or university or the system office from taking immediate action to protect victims of alleged sexual abuse. Board Policy 1B.3 Sexual Violence addresses sexual violence.

**Subpart H. Student.** For purposes of this policy, the term “student” includes all persons who:

1. Are enrolled in one or more courses, either credit or non-credit, through a college or university;

2. Withdraw, transfer or graduate, after an alleged violation of the student conduct code;
3. Are not officially enrolled for a particular term but who have a continuing relationship with the college or university;
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are living in a college or university residence hall although not enrolled in, or employed by, the institution.

Part 3. Consensual Relationships. An employee of Minnesota State Colleges and Universities shall not enter into a consensual relationship with a student or an employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence. In the event a relationship already exists, each college and university and system office shall develop a procedure to reassign evaluative authority as may be possible to avoid violations of this policy. This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a family or household member where Page 4 Policy 1B.1 the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

Part 4. Retaliation. Retaliation as defined in this policy is prohibited in the system office, colleges and universities. Any individual subject to this policy who intentionally engages in retaliation shall be subject to disciplinary or other corrective action as appropriate.

For a copy of the policy and related 1B.3.1 Response to Sexual Violence procedure, please visit the MSUM policies page: [www.mnstate.edu/policies](http://www.mnstate.edu/policies) or the Minnesota State policies page: [www.minnstate.edu/board/policy](http://www.minnstate.edu/board/policy)

Policy Statement

Sexual violence is an intolerable intrusion into the most personal and private rights of an individual, and is prohibited at Minnesota State University Moorhead (MSUM). MSUM is committed to eliminating sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of this policy. Acts of sexual violence may also constitute violations of criminal or civil law, or other Minnesota State Board Policies that may require separate proceedings. To further its commitment against sexual violence, MSUM provides reporting options, an investigative and disciplinary process, and prevention training or other related services as appropriate.

Application of policy to students, employees, and others. This policy applies to all MSUM students and employees and to others, as appropriate, where incidents of sexual violence on system property have been reported. Reports of sexual violence committed by a student at a location other than system property are covered by this policy pursuant to the factors listed in the Student Conduct Code. Reports of sexual violence committed by an employee at a location other than system property are covered by this policy.

Reports of sexual violence committed on University property by individuals who are not students or employees are subject to appropriate actions by MSUM, including, but not limited to, pursuing criminal or civil action against them.

Reports of discrimination or harassment are governed by the Equal Opportunity and Nondiscrimination in Employment and Education Policy.

Definitions

The following definitions apply to the Sexual Violence Policy and Response Procedure:

**Sexual violence.** Sexual violence includes a continuum of conduct that includes sexual assault, and non-forcible sex acts, as well as aiding acts of sexual violence.

**Sexual assault.** “Sexual assault” means an actual, attempted, or threatened sexual act with another person without that person’s consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under the Student Conduct Code and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as “date rape” or “acquaintance rape.” This definition also includes the coercing, forc-
ing, or attempting to coerce or force sexual intercourse or a sexual act on another.

2. Involvement in any sexual act when the victim is unable to give consent.

3. Intentional and unwelcome touching, or coercing, forcing, or attempting to coerce or force another to touch a person’s intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast).

4. Offensive sexual behavior that is directed at another such as indecent exposure or voyeurism.

**Dating and relationship violence.** Dating and relationship violence includes physical harm or abuse, and threats of physical harm or abuse, arising out of a personal intimate relationship. This violence also may be called domestic abuse or spousal/partner abuse and may be subject to criminal prosecution under Minnesota state law.

**Stalking.** Stalking is conduct directed at a specific person that is unwanted, unwelcome, or unreciprocated and that would cause a reasonable person to fear for her or his safety or the safety of others or to suffer substantial emotional distress.

**Consent.** Consent is informed, freely given and mutually understood. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. Silence does not necessarily constitute consent, and past consent of sexual activities does not imply ongoing future consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

**Non-forcible sex acts.** Non-forcible acts include unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by Minnesota law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.

**System property.** “System property” means the facilities and land owned, leased, or under the primary control of Minnesota State Colleges and Universities, which includes MSUM, its Board of Trustees, system office, and colleges and universities.

**Employee.** “Employee” means any individual employed by Minnesota State Colleges and Universities, which includes MSUM, its colleges and universities, and system office, and including student workers.

**Student.** “Students” are defined in the student handbook, student conduct code:

1. Are enrolled in one or more courses, either credit or non-credit, through a college or university;
2. Withdraw, transfer or graduate, after an alleged viola-

**Definitions:**

1. **Recognized Student Organization** – any student organization that has successfully completed the recognition process as outlined in the Student Organization Handbook and registers each academic year with the Office of Student Activities.

2. **Travel Status** – the time period from departure until return to campus by students who have obtained travel authorization through the appropriate university representative for a university sponsored student event.

3. **University Recognized Student Event** – activities that include, but are not limited to: official meetings, practices, competitions or trips involving students (who represent...

   c. Advertising of alcohol or illegal drugs appearing in university controlled or affiliated publications including university affiliated web sites over which it has editorial control.

The University does not regulate content or advertisements in autonomous student-edited publications, such as student newspapers, but encourages the editorship to not include advertising that promotes the high-risk use of alcohol such as happy hour drink specials, two for ones or other advertisements that encourage rapid and excessive consumption of alcohol.

**NOTE:** Although the Minnesota Medical Cannabis Law and program allows seriously ill Minnesotans to use medical marijuana to treat certain conditions, the possession and use of marijuana remains illegal under federal law, including the Drug-Free Schools and Communities Act, the Controlled Substances Act, and the Campus Security Act, and Board Policy 5.18 Alcoholic Beverages or Controlled Substances on Campus. Therefore, the use, possession, production, manufacture, and distribution of marijuana continues to be prohibited while a student is on university owned or controlled property or any function authorized or controlled by the university.

For instructional purposes in authorized laboratory and classroom instruction or experiments (accordance with MNSCU Board Policy 5.18)

For one-time use of alcoholic beverages at specific University events when authorized by the President (in accordance with MNSCU Board Policy 5.18)

A Good Samaritan exception for violations of the alcohol/other drug policy will be recognized and honored. A student, who may be in violation of the alcohol/other drug policies but comes to the aid of another student by seeking professional help, will not be cited for an alcohol/other drug university conduct violation. This exception will not be granted to those who flagrantly or repeatedly violate the University’s Alcohol and Other Drug Policy.

For legal and responsible* use of alcoholic beverages by students in travel status while attending events, such as banquets, when the use of alcohol has been approved by the sponsoring organization and where properly licensed Third Party Vendors provide sales of alcohol, which are staffed only by the employees of the host site or the Third Party Vendor. Students who legally consume are prohibited from operating vehicles following consumption.

Further restrictions or allowances of legal and responsible* use of alcohol may be applied to students or student groups on travel status based on the specific program’s needs and direction of the faculty or staff supervisors/advisors.

*Non-responsible use is defined as behavior that disrupts the University community, endangers the health or safety of self or others, results in damage to University or personal property, or requires the intervention of University or community resources. Examples of non-responsible use includes but is not limited to disorderly conduct, excessive noise, violence, threats, vandalism, or intoxication that leads to intervention by University personnel, law enforcement personnel, or medical personnel.

Sanctions for individuals in violation of the policies on alcohol & other drugs:

The University reserves the right, based on the severity of the incident, to automatically refer a student to a higher level (i.e. a student’s first violation may result in Level Two or Level Three). Parental notification, in accordance with the University’s FERPA Policy § IV (A)(5), may occur. At the discretion of the hearing officer, a student may be assigned a combination of disciplinary sanctions as defined in this policy and the Student Conduct Code. Students who fail to follow the policy procedures will be subject to a registration and grade hold and may face separation from the university. The following sanctions accumulate during a student’s college career.

**Level One:** Students will receive a written warning and will complete an online education program. Student will also complete an assessment and educational session with the Chemical Health Educator. There will be a mandatory fee of $75.00, which will appear on the MSUM billing statement.

**Level Two:** Students will be placed on university disciplinary probation and will meet with the Chemical Health Educator to determine the appropriate level of intervention. Intervention could be individual or group setting. The mandatory fee is $150.00, which will appear on the MSUM billing statement.

**Level Three:** A student with a severe violation or a third violation of the Alcohol and Drug Policy during his or her college career is subject to a minimum of one semester suspension from the university unless extraordinary circumstances exist. Upon re-admission following a suspension, any further alcohol or drug violation may result in expulsion from the University.

The University reserves the right to waive suspension in the event that the student agrees to a referral to a licensed treatment facility for assessment and follows all recommendations. Any costs will be the responsibility of the student. The Chemical Health Educator may assist the student in facilitating the process.

Sanctions for organizations in violation of the policies on alcohol & other drugs:

Organizations found in violation of the alcohol and other drug policy may be prohibited from conducting social functions and solicitation and acceptance of new members, and university recognition may be on probation. Sanctions will be educational in nature and last for a duration of time determined by the sanctioning body or University official. The University reserves the right to suspend or revoke university recognition of the organization.

Based on the severity of the incident or in the case of multiple violations for the alcohol and other drug policy, university recognition will be suspended for a period of no less than three years. The University reserves the right to revoke university recognition of the organization. In addition to the university’s Student Alcohol and Other Drug Policy, departments and student organizations may have established rules that are more restrictive and indicate additional sanctions for violations. Sanctions may include action such as suspension from an activity, a team, or organization.

PARENTAL NOTIFICATION POLICY & PROCEDURE

Students experience a variety of positive and negative challenges when transitioning from their home environment to college life. Sometimes these challenges interfere with students’ academic achievement and may include alcohol and/or drugs. MSUM’s goal is to partner with families in assisting with students’ transitions. The 2008 Minnesota Legislature amended the Education Data section of Minnesota Statute to address the issue of postsecondary institutions notifying parents of their students’ drug or alcohol offenses.

This allows, but does not require, MSUM to disclose disciplinary violations based on drug or alcohol use or possession if the student is under the age of 21 at the time of the violation. Disclosure is only based upon a student signing a release and identifying the specific person(s) the information may be released to. Upon a student being found responsible for violating the University Alcohol and Other Drugs Policy, the Office of Student Conduct and Resolution will send out a letter to the identified parent/guardian stating the occurrence of an incident, the student’s sanctions, and information regarding future behavior.

A student may sign this release in the Student Affairs or Office of Student Conduct and Resolution, Owens Hall 206, during regular business hours or sign and fax it to the Student Affairs office at (218) 477-4324. The release is also on the Student Conduct and Resolution web page. Visit the MSUM web page for resources. For questions regarding this release, please call (218) 477-2174.

Students can sign the release even if there is no current record of disciplinary violations regarding drug or alcohol use or possession. The release is good for one year only from date of signature. A new release must be signed each year.

DRUG OFFENSE CONVICTION STATEMENT

Students convicted of possession or sale of illegal drugs for an offense that occurred when receiving Title IV aid, are ineligible for future financial aid. Eligibility is suspended for one or more years, unless the violator completes an approved drug rehabilitation program that includes random drug testing.

SMOKING AND TOBACCO USE POLICY

Philosophy: Minnesota State University Moorhead is committed to creating a clean, safe, and healthy living, learning, and working environment, for all students and employees of the University.

Policy: Smoking, tobacco use, and tobacco sales (including the use or sales of smokeless tobacco products) are prohibited on University-owned, -operated, -or leased property, and in University-owned, -leased, or -operated vehicles. Any electronic delivery device, such as an electronic cigarette, is also prohibited.

Definitions:
- Smoking: The burning of any type of lighted pipe, cigar, cigarette, or any other smoking equipment, whether filled with tobacco or any other type of material.
- Smokeless Tobacco Products: Smokeless tobacco consists of the use of snuff, chewing tobacco, smokeless pouches, or other forms of loose leaf tobacco.

Cessation Programs and Services

To support MSUM students and employees who wish to reduce and/or quit using tobacco products, a variety of tobacco cessation resources and services are available. Visit the MSUM web page for resources.

http://web.mnstate.edu/aod/tobacco.cfm

Policy Enforcement

Enforcement of this policy will depend upon the cooperation of all faculty, staff, and students not only to comply with this policy, but also to encourage others to comply with the policy, in order to promote a clean, safe, and healthy environment in which to work, study, and live. The University will provide the campus community with training opportunities designed to assist and prepare students and employees to help one another comply with the policy.

In the case of a violation, the person will be informed of the University Smoking and Tobacco Use Policy. Should that person continue to violate the policy, the aggrieved party should contact the appropriate office: for University employees, the person’s immediate supervisor; for students, the Office of Student Conduct and Resolution; and for those not associated with the University, Public Safety.

Policy Exceptions

1. An exception for instructional purposes allows for the use of tobacco products in laboratory and classroom instruction/experiments, or artistic purposes. All research, educational, and/or artistic purposes that involve the use of tobacco on campus must be approved in advance by the President and his/her designee. Such use must be preceded by reasonable advance notice to the public.

2. This policy does not apply to specific activities used in connection with the practice of cultural activities by American Indians that are in accordance with the American Indian Religious Freedom Act, 42 U.S.C. sections 1996 and 1996a.
All ceremonial use exceptions must be approved in advance by the President of the University or his/her designee.

**ACADEMIC HONESTY**

The University expects all students to represent themselves in an honest fashion. In academic work, students are expected to present original ideas and give credit for the ideas of others.

- When an instructor has convincing evidence of cheating or plagiarism, a failing grade may be assigned for the course in which the student cheated.
- Instructors also may choose to report the offense, the evidence, and their action to the Dean of their college or the Provost and Senior Vice President for Academic Affairs.
- If the instructor (or any other person) feels the seriousness of the offense warrants additional action, the incident may be reported to the Office of Student Conduct and Resolution.

**Rationale**

The University is committed to the core value of integrity and mutual respect in our conduct and interactions. The value of a college degree, moreover, depends on the integrity of the work completed by the student.

**GRIEVANCE/COMPLAINT PROCESS**

This general procedure is applicable only to those administrative actions for which no special grievance procedure has been established. Special procedures have been established for certain academic (e.g. graduation, grades), student conduct, discrimination/harassment, and employment related matters. Students desiring to appeal actions or procedures of University administrative offices must meet with the following officials, continuing up the hierarchy as necessary to resolve the issues.

**Definitions**

**“Cheating” includes, but is not limited to:**

1. use of any unauthorized assistance in taking quizzes, tests, or examinations;
2. use of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;
3. the acquisition, without permission, of tests or other academic material belonging to a member of MSUM faculty or staff; or
4. engaging in any behavior specifically prohibited by a faculty member in the course syllabus or class discussion.

**“Plagiarism” includes, but is not limited to:**

1. The use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment; or
2. the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

**Procedures**

The Office of Student Conduct and Resolution will follow procedures set out in the Student Conduct Code. After the review of the case and a fair, unbiased hearing, the Office of Student Conduct and Resolution may take disciplinary action if the student is found responsible.

A student who has a course grade reduced by an instructor because of cheating or plagiarism, and who disputes the instructor’s finding, may appeal the grade, but only by using the Grade Appeal Policy, which states that the student must prove the grade was arbitrary, prejudicial, or in error.

**STUDENT EMAIL POLICY**

Email is an appropriate and preferred method for official communication by MSUM with students. All official University business will be conducted via “mnstate.edu” email accounts. Email communication to students will be sent to the mnstate.edu email address exclusively. Students are expected to receive, read, and act in a timely manner, if necessary.

For the guidelines regarding appropriate email use, please visit the Information Technology web page.

mnstate.edu/it/policy/computer_policies.shtml
ONLINE COMMUNICATION

Students are encouraged to become actively engaged in the University community. Social networking websites, e.g. Facebook, Twitter, and Instagram provide additional means for students to connect with one another. Communication on these sites is considered a public forum and can be viewed by anyone. To support personal safety and guard against identity theft, students are cautioned against including class schedules, birthdates, cell phone numbers, and addresses on their profiles. While the University does not monitor such sites, suspected violations of law or University policy online may be submitted to campus officials and police for investigation.

SKATEBOARDING, IN-LINE SKATE, AND BICYCLE POLICY

1. Skateboards, in-line skates and bicycles are prohibited from operation inside any university building.

2. Skateboards, in-line skates and bicycles are permitted on university property for the purpose of transportation only. Jumping, stunts and imprudent operations are prohibited on university property.
   - Use of skateboards, in-line skates and bicycles on ramps is prohibited at all times.
   - Pedestrians have the right of way on all sidewalks.

Any individual observed operating a skateboard, skates or bicycle in violation of this policy will be stopped.

The operator will be informed of the university policy restricting skateboard, in-line skate and bicycle use.

Rationale

It is the responsibility of Minnesota State University Moorhead to reduce hazardous conditions and the destruction of property belonging to or under the control of the university. The sidewalks and grounds of Minnesota State University Moorhead have been traditionally shared with all members of the Moorhead community. Restrictions on use have been rare and only imposed when matters of safety and security were the main concern. As the recreational use of skateboards, in-line skates and bicycles has increased greatly, so has the concern over the safety hazards and the damage they have created.
INTRODUCTION

The University views the student conduct process as a learning experience that promotes growth and personal understanding of one’s responsibilities and privileges within the University community. Therefore, it is the responsibility of the student who has been accused of misconduct to participate conscientiously in the discipline process. Students are responsible for becoming familiar with University policies and procedures. Failure to be informed does not excuse misconduct.

MSUM standards of conduct are published here as the Code of Conduct. In all conduct proceedings it is recognized that MSUM is an educational institution and not a court of law. This code does not replace or reduce the requirements of civil or criminal laws. All criminal activity may be referred to local law enforcement as well as investigated internally. Members of the University community also have responsibilities as citizens. Violations that constitute crimes and the annual crime report can be found on the web page of the Department of Public Safety.

Being under the influence of alcohol and/or other drugs does not in any way excuse or mitigate responsibility for a student’s behavior. The excessive, illegal, unprescribed or otherwise socially irresponsible use of alcohol or other drugs infringes upon one’s ability to preserve personal integrity and civility.

Disciplinary action is cumulative resulting in more serious consequences if the student engages in repeat violations or fails to follow through with sanctions from a previous hearing.

At check-in, all residents are issued a room key; access to building is via Dragon ID card (ID). John Neumaier residents also receive a mailbox key. Residents should keep their rooms locked and carry their keys and ID whenever they leave their room. If a resident misplaces their keys or access card, spare key(s) and access card can be checked out at the front desk for up to 48 hours. If the key(s) and access card are not returned within that 48 hour period or if a resident fails to return a key upon checkout of their room, a work order will be placed to replace the lock core. Residents will be billed $50.00 ($60.00 in suites or apartments) per missing room key, $35 for missing temporary access card or exterior door key, and $50 per John Neumaier apartment mailbox key, regardless of whether the key(s)/access cards are later found and returned. If a resident believes that their keys/access cards have been stolen, they may request that a work order be placed to replace the lock core immediately. The resident will then be billed for the cost to re-core the door, replacement for exterior door key, and any applicable overtime charges. When residents move out or change rooms, they must return all keys issued to them, including any keys that were once thought to be missing, but were later found. In addition, the following behaviors are considered a misuse of keys and are prohibited.

a. Giving a guest or another resident your key or ID to access your room or building when you are not present. The ID policy also applies.

b. Checking out loaner keys/access card so that your guest or another resident has access to your room or building.

c. Finding a “lost” key/access card and failing to return it to the front desk.

Residents have the right to sleep and study in their rooms at any time. When asked by someone to respect this right, residents are expected to demonstrate courtesy and consideration by complying with the request. This policy applies to noise that can be heard from both inside and outside a residence hall.

Quiet hours are in effect from 10:00 PM until 9:00 AM Sunday to Thursday, 12:00 AM until 9:00 AM weekends (Friday and Saturday). Individual floors may choose to extend these hours. Quiet hours means that sound must not be audible beyond the limits of any individual room, hallway, or lounge. During finals week, 24-hour quiet hours will be in effect. Any student removing a loft at the end of a semester or academic year must do so before 24-hour quiet hours begin or wait until final examinations are completed.

f. To avoid potential damage charges, do not use nails, screws or sticky adhesives. Use a tacky, putty substance like “TackIt” or 3M Command adhesives. Adhesive remains will need to be cleaned, and hooks and mirrors removed from the walls before check out. Residents will be billed for the removal.

25. Satellite Dishes and Antennas

Satellite dishes, antennas, or similar devices are not permitted in the residence halls.

Those causing damage to university property due to use of this type of equipment will be held financially responsible.

28. Trash Removal

Students are responsible for taking out their own trash. Trash must be taken to and deposited in the nearest designated trash areas. All trash must be removed from all rooms during break periods.

Throwing any object from a residence hall window or using a window as an entry or non-emergency exit is a serious safety concern.

SECTION IV: VIOLATION OF LAW AND UNIVERSITY DISCIPLINE

University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the administrator. Determinations made or sanctions imposed under this Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
SECTION V: DISCIPLINARY PROCEDURES

A. Investigation & Informal Process

1. Any member of the University community may file a written complaint alleging that a student or student organization has violated student conduct proscriptions. Any complaint should be submitted as soon as possible after the event takes place. Persons filing complaints shall be informed of their rights under the Minnesota Statute 13.04, subdivision 2. Following the filing of a complaint against a student or student organization, the Director of Student Conduct and Resolution shall conduct an investigation of the allegations.

2. If the complaint seems unwarranted, the Director of Student Conduct and Resolution may discontinue proceedings.

3. If there is sufficient evidence to support the complaint, the Director of Student Conduct and Resolution shall offer the accused student an opportunity to resolve the alleged violation at an informal meeting. Prior to this meeting, the student shall be given written notice of the specific complaint against him/her and the nature of the evidence available to support the complaint and provided with a copy of the code of conduct. During the meetings the Director of Student Conduct and Resolution shall review the complaint and the evidence with the student and allow the student to present a defense against the complaint. Within a reasonable time period following the meeting, the Director of Student Conduct and Resolution shall inform the accused student in writing of his/her decision whether a violation of the code was established by a preponderance of evidence and any applicable sanction as well as options available for an appeal and/or a formal hearing.

4. A student who is subject to a sanction of expulsion or suspension, except summary suspension, for more than nine days may agree to accept the sanction, or may request a formal hearing prior to implementation of the sanction. Other sanctions shall be accepted or may be appealed in accordance with the University’s appeal procedures.

5. If the accused student fails to appear for the informal hearing, the Director of Student Conduct and Resolution may proceed to review and act upon the complaint in his/her absence and shall notify the student in writing of an action taken.

B. Formal Hearing

The Director of Student Conduct and Resolution determines the composition of the Student Conduct Panel. Students serving on the Student Conduct Panel shall be elected by the student body or appointed by Student Senate. Student Conduct Panel Hearings shall be conducted by a Student Conduct Panel according to the following guidelines:

1. Student Conduct Panel Hearings normally shall be conducted in private.

2. Students or organizations referred for a formal hearing shall be given adequate advance notice in writing of the time, place, and date of the hearing. A student or organization’s failure to appear at the hearing shall not prevent the hearing from proceeding as scheduled.

3. Within a reasonable time prior to the hearing, the student must be informed in writing of: a) the complaint, b) the evidence to be presented against him/her, c) a list of witnesses, and d) the nature of their testimony.

4. In hearings involving more than one accused student or organization, the Director of Student Conduct and Resolution, in his or her discretion, may permit the hearing concerning each student to be conducted either separately or jointly.

5. The student shall be given the opportunity to speak in his/her own defense, to present witnesses and to question any witnesses and to have an advocate present. The advocate may provide advice to the student, but may not participate in any questioning. When there is a likelihood that a student involved in conduct proceedings will face criminal prosecution for a serious offense, it may be advisable that the student have an attorney as the advocate.

6. A written notice of findings and conclusions shall be provided to the student within a reasonable time after the hearing. The notice shall inform the student of any sanction to be imposed. The notice shall also contain information regarding the applicable appeal process.

7. The hearing may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Director of Student Conduct and Resolution to be appropriate. During vacation periods, summer, or under special circumstances, the Director of Student Conduct and Resolution will act in place of the Student Conduct Committee, will hear the case in accordance with the disciplinary procedures, and will recommend to the Vice President of Student Affairs the appropriate action.

C. Roles of Others

At times, others may be included in the hearing procedures. This could include witnesses or support persons.

The following is information for those who may act as witnesses in student disciplinary hearings:
1. Witnesses will be asked to make comments regarding the specific incident in question. Any additional comments that are relevant to the specific incident being considered should focus on factual information leaving out opinions, presumptions, or guesses.

2. Witnesses may be asked questions by the accused student. The witness may be asked questions by the hearing officer. The role of the witness is to answer questions, not to ask them.

3. Witnesses may be held accountable through the University disciplinary process if implicated in a violation of a University policy or regulation. For example, false testimony or personal involvement in the incident being reviewed could result in disciplinary action.

4. Witnesses may not intimidate and/or be intimidated by participants of the hearing.

5. Disciplinary hearings may be recorded. If so, this recording will be sole property of the University.

The following is information for those who may act as a support person in student disciplinary hearings:

- Prior to the hearing, the student will be required to complete a release of information to allow the support person's presence. The student must not be signing under duress.

- A support person may be present during the hearing with a student, but s/he is not there to represent the student or speak on the student's behalf. The support person may be a parent, clergy, doctor, etc. The support person may provide advice to the student.

- If the support person becomes disruptive during the meeting, the support person will be asked to leave. The student may choose to leave also, but the process will move forward.

D. Disciplinary Sanctions

A sanction is a consequence placed upon a student for violation of specified University rule and/or regulation, including a notice that further violations may lead to more severe disciplinary sanctions. Failure to complete a specified sanction will be considered an additional violation under “Failure to Comply.” In recommending a conduct sanction(s) for student misconduct, the hearing officer will consider:

1. facts of the case as presented by the accuser(s) and the accused.

2. existence of any physical information or testimony of material witnesses.

3. type and severity of the offense.

4. previous incidents of misconduct committed by the individual(s) accused.

5. whether bias motivation is involved, as this would add to the seriousness of the violation

One or more sanctions will be selected from the following list, based on the criteria listed above. Students should note that even though they are of legal age to consume or possess alcohol, MSUM and MnSCU policies prohibit the use or possession of alcohol or illegal drugs on campus.

1. The following sanctions may be imposed upon any student found to have violated the Student Code. More than one of the sanctions listed below may be imposed for any single violation.

a. **Written Warning** – A notice in writing to the student that the student is violating or has violated institutional regulations.

b. **University Disciplinary Probation** – A written reprimand for violation of specified regulations. b. **Restitution** – Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

e. **Discretionary Sanctions** – Work assignments, essays, service to the University, or other related discretionary assignments.

E. Summary Suspension

In certain circumstances, the Director of Student Conduct and Resolution, or his/her designee, may impose a summary suspension prior to the informal or formal proceedings described in the previous articles. A summary suspension may be imposed only when, in the judgment of the Director of Student Conduct and Resolution, the accused student’s presence on the University campus would constitute a threat to the safety and well-being of members of the campus community. To the greatest extent possible before implementing the summary suspension, the accused student shall be given oral or written notice of the intent to impose summary suspension and shall be given an opportunity to present oral or written arguments against the imposition of the summary suspension. However, the refusal of a student to accept or acknowledge this notice shall not prevent the implementation of a summary suspension. Notice of the summary suspension shall be provided in writing to the student. After the student has been summarily suspended, the student shall be provided an opportunity for a formal or informal hearing within the shortest reasonable time period, not to exceed nine (9) school or business days. During the summary suspension, the student may not enter the campus without obtaining prior permission from the Director of Student Conduct and Resolution.

F. Policy & Procedure for Appeals

1. A decision reached by the Student Conduct Panel or a sanction imposed by the Director of Student Conduct and Resolution may be appealed by the accused student(s) or complainant(s) to the Vice President of Enrollment Management and Student Affairs or his/her designee(s) within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Director of Student Conduct and Resolution or his or her designee.

2. Except as required to explain the basis of new information, an appeal shall be limited to a review for one or more of the following purposes:
